

Záznam o průběhu obhajoby

Mgr. Martin Kovačik

.....
P1527 Biologie, Molekulární a buněčná biologie

.....
MBB, PřF UP v Olomouci

Školící pracoviště:

Předseda komise: Prof. RNDr. Zdeněk DVOŘÁK, DrSc. et Ph.D.
.....

The supervisor, Aleš Pečinka, introduced a candidate. Then, Martin Kovačik presented his PhD thesis. Reviewers, prof. Sybal and dr. Bošivou presented their reviews, and a candidate satisfactorily answered the questions, and adequately addressed all raised issues and topics. During open discussion, doc. Fojtů, dr. Probst asked the questions, and the candidate properly answered them.

Following discussion of the committee in closed session, secret ballot was held.

The outcome of the defense was publicly announced.
