

Course of the defence:

During the defence of his thesis on the topic Umbrella clauses and Bilateral investment treaties, Alexis Brunet has briefly introduced his thesis presented its structures, research and finally the conclusions. Then he answered the questions of the members of the committee

- 1) Would the protection of foreign investors be different without umbrella clauses?
- 2) What is the future of umbrella clauses especially with respect to the creation of International Investment Court?
- 3) Were there any cases, where international Tribunals used the interpretative rules in Vienna Convention on the law of treaties?

Assessment:
"8"

Date of defence: 6. 9. 2021
