

Course of the defence:

The thesis defense was happening online. Aziza presented her thesis with the title Language and Intra-EU Immigrant integration in the Netherlands: Evaluating Dutch language-based integration policies and exploring the effects of language use on intra-EU immigrants' integration.

The presentation was done through powerpoint. The thesis assessments were summarised - one by its author, Janet Fuller, who was present online, and the other by Mawhin Ebel, because Daniel Poppe could not be present. Discussion followed.

The thesis is not plagiarised.
